

## Instructions

**Step 1** - Using the template provided, cut out the shapes and draw around them on thin card. You might have to adjust the slots depending on the thickness of your card

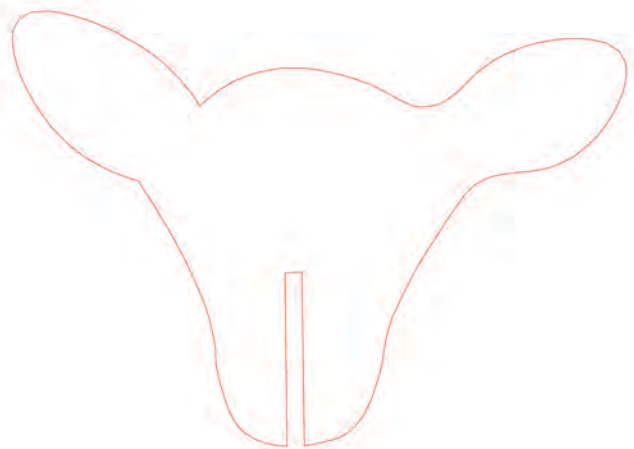

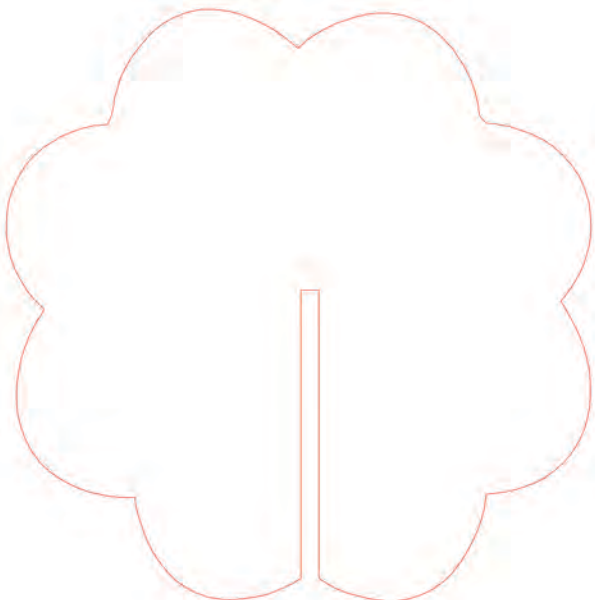

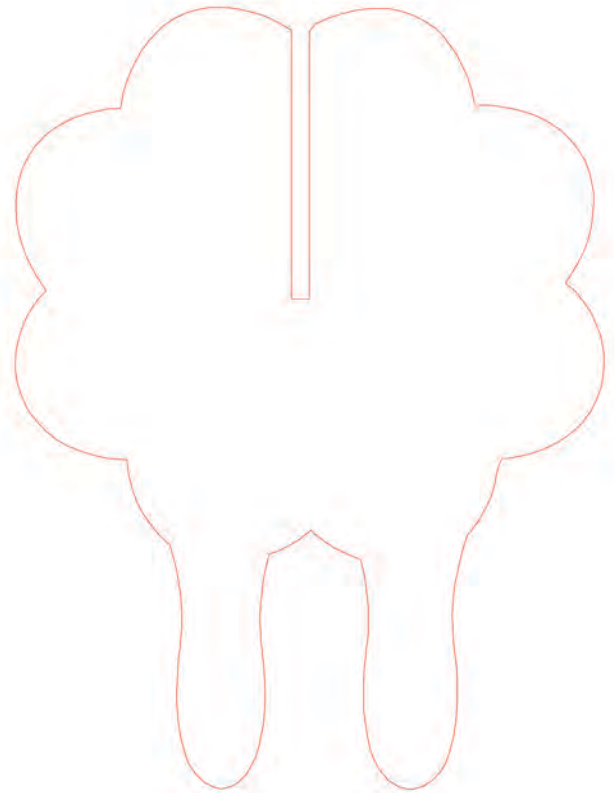

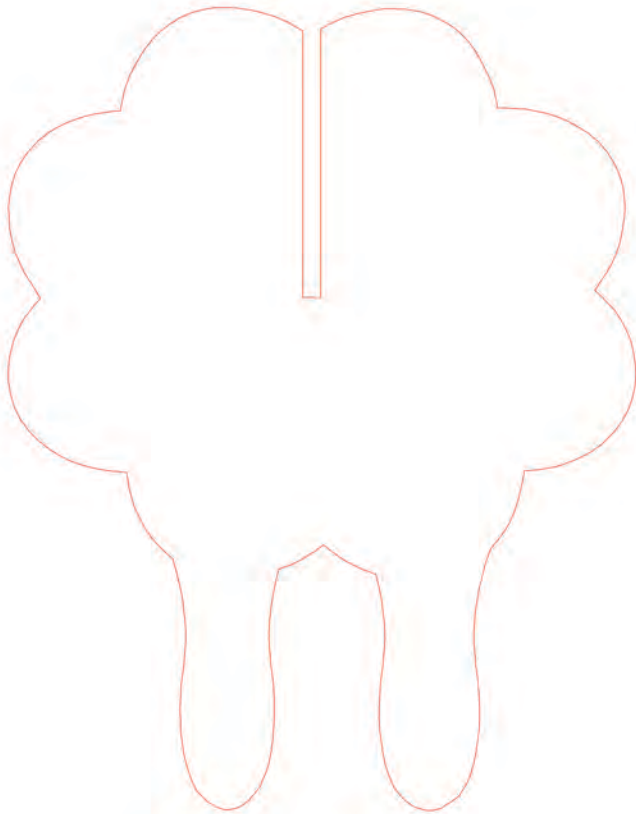

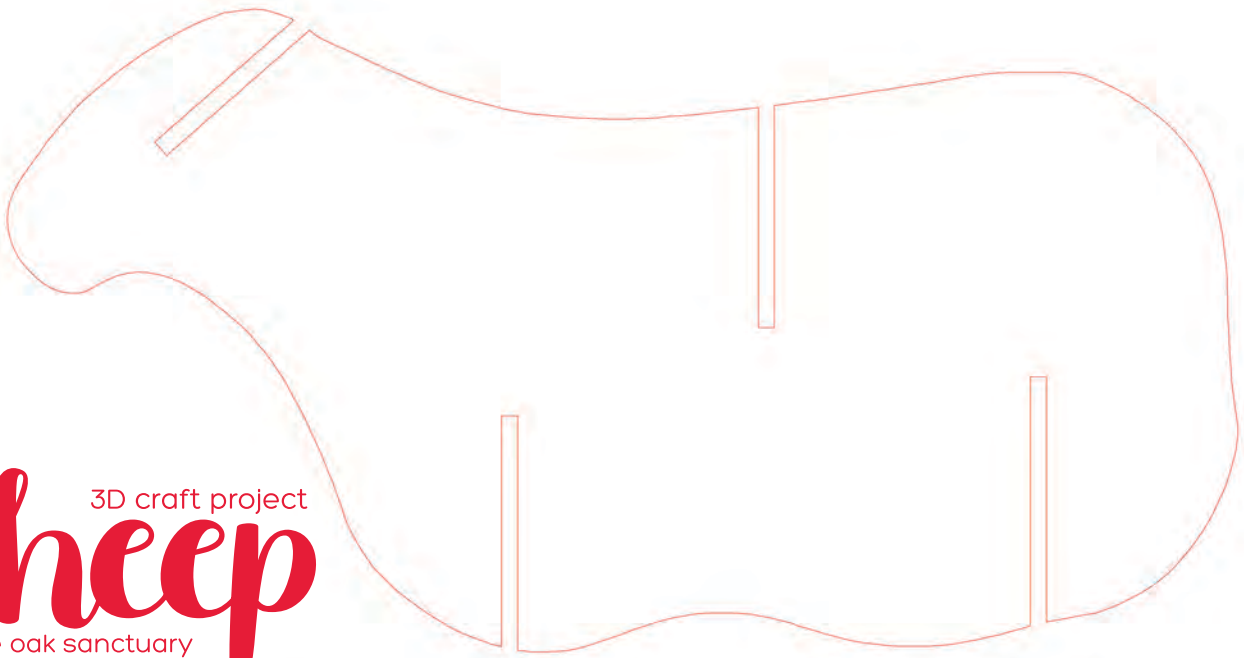

**Step 2** - Decorate using materials of your choice. For example, cotton wool balls, paint, glitter (non plastic of course!), leaves etc.

**Step 3** - Slot your sheep together. You may need to use a small amount of glue to hold them together

**Step 4** - Send us a photo of your completed sheep or lamb and we'll post it on our website and facebook pages!
